## IN SOCIAL CIRCLES

**Visited Here.**

Daisy Fitzhugh Ayres says in her Washington notes:

"An interesting spectator at the opening of congress was Mrs. Post Wheeler, wife of the first secretary of legation at St. Petersburg, formerly Miss Hallie Ermine Rives, of southern Kentucky and Clarksville, Tenn., the popular novelist, whose latest story, 'The Kingdom of Sander Swords,' deals with her recent experiences in Japan, where her husband was secretary of legation at Tokio. Mrs. Wheeler is now engaged on a novel of Parisian life. She is slender and girlish with curling bronze hair and a gentle wistfulness of manner that makes her most attractive. Mrs. Wheeler is an intimate friend of Mrs. Taft, whom she visited in Washington when Mr. Taft was secretary of war. Mr. and Mrs. Wheeler lunched at the white house Monday with the president and his wife. At the capitol Mrs. Wheeler was picturesque and pretty in a black velvet walking dress, big black velvet hat and white plume, and sumptuous Russian sables."

"Miss Hallie Rives" was a popular visitor in Paducah some years ago, while yet unknown to fame. She is a cousin of Miss Mamie Baynham, of this city.

The auditorium was crowded with appreciative friends of the talented musician, and music lovers. Mr. Gilbert was assisted by Mrs. James Gruenbaum, contralto, and Mr. Emmett S. Bagby, baritone. The program was an artistic one and delighted the audience. ## EAT AND GET THIN.

about but modern methods of reducing fat have made this revision possible.  
If you are overfed and also averse to physical exertion and likewise fond of the table and still want to reduce your excess flesh several pounds, do this: Go to your druggist (or write the Marmola Co., Farmer Bldg., Detroit, Mich.) and give him (or send them) 75 cents. For this modest amount of money the druggist will put you in the way of satisfying your ambition for a nice, trim, slim figure. He will hand you a large case of Marmola Prescription Tablets (compounded in accordance with the famous Marmola Prescription), one of which you must take after each meal and at bedtime until you begin to lose your fat at the rate of 12 to 16 ounces a day. That is all. Just go on eating what you like, leave exercising to the athletes, but take your little tablet faithfully and without a doubt that fatty flesh will quickly take unto itself wings, leaving behind it your natural, self, neatly clothed in firm flesh and trim muscles.
